ENVIRONMENTAL POLICY STATEMENT

KINGS UK LTD cares about the environment in all its forms and recognizes that environmental effects must be an integral part of company business.

KINGS UK LTD is committed to minimizing the impact of its operations on the environment by means of a programmed of continuous improvement.

Our Environmental Policy commits the organisation at all levels to ensure that we...

1. Identify any risk of pollution arising from any of our activities, products and/or Services, which shall then be either eliminated or effectively controlled to meet or exceed all regulatory requirements relating to the environment.
2. Reduce to a minimum unnecessary use of materials, resources and energy. Reduce to a minimum the environmental effect on all future developments and carry out an appraisal of the environmental effect of sourcing of raw material.
3. Reduce waste to the lowest practicable level ensuring responsible disposal of waste created and received, undertaking environmental audits, measuring the results against established targets.
4. Advocate employee involvement in all environmental matters, providing suitable training and support to all employees with regard to this environmental policy.
5. Minimise and adverse environmental effects caused as a result of our activities, products and/or services adopting the principle of BATNEEC (Best available techniques not entailing excessive costs).
6. Ensure that any persons working on our behalf are made aware of and agree to comply with this policy.
7. Seek to ensure that products and/or services supplied or provided by third parties can be used, handled, stored and disposed of in a manner which safeguards the environment and the health and safety of all.
8. a) Ensure coach engines are switched off when stationary. Prevent fuel wastage and dangerous environmental effects.
b) Ensure chemical toilets are dropped only in designated areas.
c) Dispose of all vehicle rubbish only in authorised council bins provided.
9. Undertake a review of this policy in the light of any new knowledge, changing

We will monitor the environmental impact of key elements of our operation, setting objectives and targets against which our performance will be regularly reviewed and taking corrective actions as appropriate. We acknowledge our responsibilities to the environment and we are fully committed to the prevention of pollution, compliance with current environmental legislation and ensuring the health, safety and welfare of those who may be affected by our business activities.

To achieve our company objectives we will make available all necessary financial and physical resources, take collective responsibility toward being an environmentally friendly company and we will achieve our environmental objectives by ensuring that environmental concerns remain high in our corporate priorities.

The Managing Director of KINGS UK SECURITY GROUP LTD has overall responsibility for the Environmental Policy and its implementation within the company and this Environmental Policy will form part of the induction and briefing process for new employees to the company .It will be reviewed annually and changes will be made if required due to legislation or company organisational changes.
